*Shipping & Payment Method By  
Customer Groups*

*Shreeji Infosys*

**Installation Guide**

**Compatibility: Magento 2.X**

## 1. How To Install extension?

As per Magento standard you have to install extension via magento connect but currently Magento2.X doesn't provide this feature so you have to follow Manual Installation step guide line.

- ✓ Unzip the package file into app/code/ Shreeji(Create directory if it doesn't exist).
- ✓ After that you have to perform below command to enable this extension
  - bin/magento module:enable Shreeji\_RestrictShippingPayment
  - bin/magento setup:upgrade
- ✓ And don't forgot to clear your webshop cache using below command
  - bin/magento cache:flush
