1. Introduction

This Magento 2 extension allows store owner to allow you to automatically approve customer reviews based customer group(s).

By default in Magento 2 customer product reviews display in product page If Its approved by store owner from backend panel, but sometimes store owner need to approve, review(s) automatically because of lack of time to manually approve reviews or some customer group(s) (i.e wholesale group) doesn't need any approval for reviews.

To keep in mind this Importance to this point we at Shreeji Infosys developed this Magento 2 extension which allows store owners to approve the customer review based on customer group and It also allow to change notification message from backend

Auto Approval Review Features

- Enable/Disable from backend
- Very easy to save the configuration for auto approve review
- Can change review success message from backend
- Can change review pending message from backend
- Support multiple store view
- Easy Installation and Ready to use
- Plug & play.

Standard Features

- Follow Magento2 coding standards for this extension.
- Follows Magento2 Extension Development Guideline.
- Compatible with Latest Magento 2 editions.

Auto Approval review:

Frontend (Approved review):

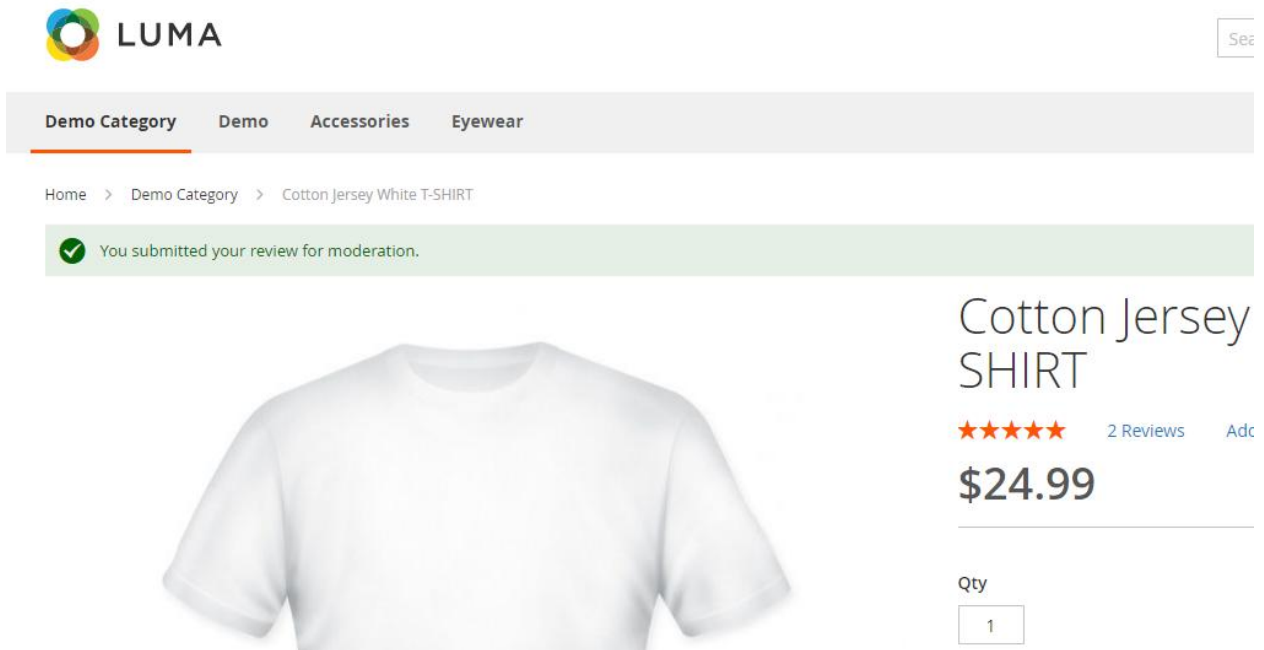

The screenshot displays the LUMA website interface. At the top left is the LUMA logo, and at the top right is a search bar. Below the logo is a navigation menu with categories: Demo Category, Demo, Accessories, and Eyewear. A breadcrumb trail shows the path: Home > Demo Category > Cotton Jersey White T-SHIRT. A green notification banner at the top of the product page reads: "Thank you for submitting your review". The product image shows a white t-shirt. To the right of the image, the product title is "Cotton Jersey SHIRT", followed by a 5-star rating, "2 Reviews", and an "Add" button. The price is listed as "\$24.99". Below the price is a quantity selector labeled "Qty" with a dropdown menu showing the number "1".

Description:

After submitting review from product detail you can see review is automatically approved with your custom message.

Frontend (Pending review):

The screenshot shows the LUMA website interface. At the top left is the LUMA logo. A search bar is located at the top right. Below the logo is a navigation menu with items: Demo Category, Demo, Accessories, and Eyewear. A breadcrumb trail reads: Home > Demo Category > Cotton Jersey White T-SHIRT. A green notification banner with a checkmark icon contains the text: "You submitted your review for moderation." The main product area features a white t-shirt image on the left. To the right of the image, the product title "Cotton Jersey SHIRT" is displayed. Below the title are five orange stars, the text "2 Reviews", and a partially visible "Add" button. The price "\$24.99" is shown below the stars. At the bottom right, there is a "Qty" label and a quantity input box containing the number "1".

Description:

After submitting review from product detail you can see review is in pending with your custom message.
